

## Making a peanut butter sandwich

### What you need:

A clean, flat food production surface (eg a clean cutting board)

Peanut butter

2 slices of sandwich bread

A clean butter knife

### Steps:

1. Make sure that you have a flat surface, e.g. a cutting board, that is clean
2. Make sure you have all your materials / ingredients at hand
3. Place both slices of bread on cutting board
4. Using the knife, scoop out a large dollop of peanut butter and spread it onto the top of one slice of bread. Use as much peanut butter as desired.
5. Take the slice of bread without peanut butter on it and flip it on top of the other slice to make a sandwich
6. Cut sandwich in half to make it easier to hold
7. Eat and enjoy
